KTM 96 Series Electrical Isolator

IP65 Isolator

ISOTECH with more than twenty years' experience in manufacturing for Load Break Switch (Isolator), ISOTECH covers from 16A to 200A. ISOTECH Load Break Switches offer maximum protection to both installation and the user with high IP rating. Our Isolators are manufacture and tested according to IEC60947-3 to ensure high quality of products which is fully adapted to harsh operating environments.

ISOTECH is the main solution provider for the global industries. Our clients include Food Processing Industry, Air Condition Industry, Heavy Industry and Power Distribution Industry. Work safety is always a top priority with **ISOTECH** isolators for service personnel can depend on reliable disconnection.

KTM 96 Series Features

- Design according to IEC60947-3
- Captive Combination Head Screws for you choice of Screwdriver
- Large 16-95mm² Cable Conductor Terminals
- Steel plated terminals screws will never break
- Large padlocking capacity – suit industry up to 12mm padlock
- **With** interlocking system
- Premium moulding materials with chemically resistance
- Made in Malaysia
