Biopsy

All-in-one-Set – Biopsy

The perfect combination

The new PAJUNK® “All-in-one-Set”– Biopsy will provide your work with greater efficiency. Because we will do all the work for you in putting together all the components required for an intervention – from the puncture set up to the fenestrated drape. For you, this means:

- plenty of time saved in the preparation
- no mistakes or mix-ups, and therefore more safety
- guaranteed sterility, and therefore a guarantee for hygiene

- 1 packing tray, one-piece version
- 1 cup, 60 ml
- 1 syringe, 3 ml, three-parted Luer Slip
- 1 syringe, 5 ml, three-parted Luer Slip
