Safe, Saver, Savest

Seguro, Más Seguro, Lo Más Seguro

Sicher, Sicherer, am Sichersten

Our standard model offers a simple set-up, easy handling and an optimal price/performance ratio.

Based on these values a high end model was developed. With its safety lid a maximum of protection during transport and storage can be guaranteed. Furthermore it reduces the chance of contamination significantly.

El modelo estandar ofrece una estructura simple, el máximo de facilidad en el uso y un óptimo de la relación precio-calidad.

En base de estos valores un modelo de tecnología alta fue desarrollado. Con su tapa de seguridad puede garantizar un máximo de protección para el transporte así como el almacenamiento. Además reduce el riesgo de contaminación significativamente.

Das Standardmodell kann durch den einfachen Aufbau, maximale Bedienerfreundlichkeit und ein optimales PreisLeistungsverhältnis überzeugen. Darauf aufbauend wurde ein High-End-Modell entwickelt, dass durch den Sicherheitsdeckel nicht nur zusätzlichen Schutz bei Transport und Lagerung bietet, sondern auch die Kontaminierungswahrscheinlichkeit deutlich reduziert.
