

Kaspersky Open Space Security Workshop

Course Description

The training is meant for system engineers and administrators for design, implementation and support of anti-virus protection systems for Windows Workstations and Servers based on Kaspersky Lab products.

Prerequisite

Basic understanding of:

- TCP/IP based networks
- The Internet and common protocol (HTTP, SMTP, POP3 etc)
- Microsoft Windows networks

Course Objective

After completing the course, the participants will be able to:

- Describe the features of Kaspersky Anti-Virus for Windows Workstations and Servers
- Design an optimal solution for protection of Windows workstations and servers based on Kaspersky Anti-Virus
- Implement a system of anti-virus protection for Windows workstations and servers based on Kaspersky Anti-Virus
- Support the implemented system during all stages of its operation

Topics

1. Introduction to Kaspersky Open Space Security
2. Product Components and System Requirements
3. Administration Kit 8
 - a. What is Administration Kit
 - b. Installation
4. Policy and Task
5. Remote deployment and Management
6. Manual Installation
7. Remote and Manual Un-installation of Kaspersky Antivirus
8. License
9. Events & Reports
10. Backup and Restore
11. Troubleshooting

Evaluation

At the end of the course, there will be an exam. The duration of the exam is 30 minutes with 20 multi-choice questions. Participants need to score at least 70% of correct answers in order to pass the exam. Participants who pass the exam will receive a certificate from Kaspersky.

Agenda

Time	Description
09:00 – 09:30	Registration
09:30 – 10:30	Introduction to Kaspersky Open Space Security Product Components and System Requirements Administration Kit 8, Policy and Task,
10:30 – 10:45	Tea Break
10:45 – 12:30	Remote Deployment and Management, Manual Installation. Uninstallation, Licensing Events & Reports Backup and Restore Troubleshooting
12:30 – 13:30	Lunch Break
13:30 – 15:00	Hands On Training for Admin Kit Installation, Deployment, Policy Management, Task Management, Licensing, Events, Reports and Troubleshooting Q & A Session
15:00 – 15:30	Course Evaluation
15.30 – 16.00	KHSS Introduction
16.00 – 16.10	Tea Break and Finish
