Since 1979

*Forging Ahead*

## MASTER MATERIALS The Largest Concrete Imprint Manufacturer & Installer in Malaysia

Founded in 1979, Master Materials has rapidly grown to become a dynamic player in the specialty decorative building materials industry in Malaysia.

The company prides itself in having established a winning track record in the industry and its customers have responded to its work with confidence, respect and loyalty.

Going forward, the company will continue to deliver value added products to its clients through efficient operational systems, good manufacturing practice, reliability and goodwill.
